Dear Brenda,

On behalf of the Board of Directors of the Rappahannock Big Brothers Big Sisters, I want to thank you for your generosity in supporting the 38<sup>th</sup> Annual **Bowl for Kids' Sake** fundraising event. Your sponsorship of \$600 (check 4560) makes it possible for children to have success in school and in life.

Your donation is an investment in changing lives for the better, forever. Big Brothers and Big Sisters mentors are positive role models, to children in difficult circumstances, who teach them to collaborate and communicate effectively.

The funding you provided will support one to one mentoring that leads to educational success, higher aspirations and greater confidence. Our volunteer mentors offer crucial guidance and encouragement. They provide social support that helps children develop resiliency even when facing tough situations at home and at school.

What if every child fulfilled their potential? What if all children graduated high school? Think how amazing that would be. By supporting our organization, you help children find a path to success...you Start Something Big. Your financial assistance provides ongoing support to mentors, mentees and families.

We sincerely appreciate your donation to help children prepare for their future. The impact of mentoring lasts a lifetime for the child and for our community.

With gratitude,

Michelle Hedrich  
Executive Director
