Dear Mr. Seals:

Congratulations again on your recognition as a 2012 Fantastic 50 Winner! Last week's gala banquet at Westfields Marriott was certainly one of the most enthusiastic and celebratory Fantastic 50 evenings, and I want to thank you for being a part of this exciting program. On behalf of our other event sponsors, please also accept our very best wishes for your continued business success and prosperity!

As noted in previous correspondence, you may view the event photos from the Virginia Chamber website at www.vachamber.com. We were extremely pleased that Lieutenant Governor Bill Bolling was our featured speaker and able to be with each company for a souvenir photo.

Fantastic 50 is the only statewide program that brings recognition to smaller-fast growing companies, and we are very proud to highlight your accomplishments and help promote your business with this award. We are anticipating the "Call for Nominations" for Fantastic 50 2013 in the next few weeks, and Cortek will automatically be nominated as a result of your win this year. Please watch for this information by email soon so you may submit your revenue numbers and again be in the competition.

Again, best wishes for your continued success and another win next year! A member of our Virginia Chamber team will be in touch in the near future to further discuss Fantastic 50, in addition to our other programs and initiatives, specifically our newly reactivated Small Business Committee. We look forward to working with you on the critical issues facing the business community, and I hope you will have a few moments to share your thoughts with us about the event and how we can work together in the future.

Best regards,
