

CORTEK, Inc. is pleased to announce the Operational Planning Support Services for Army G-3/5/7 Task Award

2 Aug 2017 by Mandi O'Brien

Press Release

CORTEK, Inc. is pleased to announce the award of the \$15M Operational Planning Support Services for Army G-3/5/7 task under CORTEK's General Services Administration MOBIS Schedule. CORTEK will provide all analytic, engineering, programmatic and strategic operational support to accomplish statutory, regulatory, and policy functions and tasks assigned to the Army G-3/5/7 Force Management / Mission Command Division.

Don Brown, Vice President of Business Development for CORTEK, Inc., stated that the CORTEK Team is excited about this opportunity to add value to the G-3/5/7 Force Management / Mission Command Division. This effort expands CORTEK's support to Headquarters Department of the Army to the Army Staff.
