

CORTEK, Inc. is pleased to announce the award of the Ammunition Quality Control and Acquisition Support Effort

20 May 2016 by Charlie Brown

Press Release

CORTEK, Inc. is pleased to announce the award of the Ammunition Quality Control and Acquisition Support effort under CORTEK's SeaPort Enhanced contract. This effort is in support of Marine Corps Systems Command's (MARCORSYSCOM) PM Ammunition. The effective date of the award is May 20, 2016 and has a value of \$1.2M. CORTEK will provide acquisition, business and analytical support and expertise.

Brian Shoop, CORTEK's Senior Vice President for Operations, stated that CORTEK is proud to continue its support to PM Ammunition as it executes its critical role for the Marine Corps.
